GOOD REPORT ON WHEELER'S BILL

FAVORABLE FOR IMPROVEMENTS.

Washington, D. C., Jan. 12.—The prospects are bright for a favorable report of Congressman Wheeler's bill for enlarging the government building in Paducah, in the interest of which Congressman Wheeler and Postmaster Fisher appeared before the committee on Public Buildings yesterday.

The measure carries with it an appropriation for \$100,000, and will give Paducah one of the largest government buildings in the state. It is strongly endorsed, and is fully expected that it will be favorably reported shortly.

IMPROVEMENTS.

Chattanooga, Tenn., Jan. 12.—A committee from the Tennessee River Improvement association has come to Washington to ask for a million and a half dollar appropriation for the Tennessee river and its tributaries.

WAS GIVEN TWENTY.

Floningsburg, Ky., Jan. 12.—Charles Perkins was today given twenty-one years for the murder of James Ryan. He is the man an effort was made several nights ago to lynch, and there is much dissatisfaction over the verdict. The troops may leave today, and if they do a lynching is probable.

NO QUORUM.

Frankfort, Jan. 12.—The Senate quickly adjourned this morning, after meeting. There was no quorum present when the Schley resolutions were voted on. It was then dropped into orders of the day.

Frankfort, Jan. 12.—The house met this morning, only to adjourn until Monday.

WAS DEGRADED.

Astoria, Oregon, Jan. 12.—Frank Rakowski, a soldier in the United States army, while drinking threatened to kill President Roosevelt. He was publicly degraded and given ten years in prison.

KILLED BY A TRAIN.

Mallonsville, Ky., Jan. 12.—Owen Price, the son of Rev. J. L. Price of Providence, and a well known liveryman, was killed by a train at the crossing here last night.

CORROBORATES HOWARD.

Frankfort, Jan. 12.—The cross examination of James Howard, on trial for the alleged murder of Goebel, was finished late yesterday afternoon, and today Ex-Sheriff White of Clay county was on the stand most of the morning and corroborated Howard throughout.

Two witnesses this morning corroborated Jim Howard's statement that he was in the Board of Trade hotel when Goebel was shot.

DIED OF PNEUMONIA.

Bessie Kelly, aged 9 years, died this morning at her home in Mechanicsburg from pneumonia, after a several weeks' illness. The remains were buried at Altoona burying ground.

THE WEATHER.

Fair and colder tonight and Sunday.

WARDEN H. F. SMITH

Eddyville Man Will Be Beaten For His Job By Hagerman.

Eph Lillard Will Hold on at Frankfort—No Change in the Deputy-ships.

THE GUARDS GO OUT MARCH 15TH

Warden Henry Smith, of the branch prison at Eddyville, is to be succeeded by Henry Hagerman, of Bowling Green, according to Frankfort dispatches, which state that the prison commissioners are not doing much talking about their plans, but there are the best of reasons for the statement that they have decided upon Mr. Hagerman.

It is known that a part of the board has been disposed to appoint, as between the two Bowling Green candidates, the man favored by a majority of the senators and representatives from the Third congressional district, and it is known that nearly every member from the Third has endorsed Mr. Hagerman. There is no doubt now about his appointment.

Warden Eph Lillard, of the Frankfort penitentiary, will be retained for another term of four years. So will Deputy Warden Jesse Olive, at Eddyville, and John Petch, of Frankfort. There may be a change in one of the two chaplains, while the terms of all the seventy-five guards will expire on March 15. There will be quite a number of changes among the guards.

GOOD WORK.

CORPORAL SHACKELFORD HAS SECURED TWENTY RECRUITS IN PADUCAH.

Corporal Shackelford, the recruiting officer, has done better work in Paducah than any of his predecessors. Since he has been in Paducah, which is only seventeen days, he has secured twenty recruits, and the applications are still coming in. The following is a list of the recruits enlisted during the past three days, and who will leave tonight for Fort Mott, New Jersey, to join the heavy artillery. The men will be placed into immediate drill, and training, and will then be enlisted into the regular army.

John M. Nickell of the Star Line Works, Ky.; J. G. Kryhoe, city; Francis M. Seelman, Calvert City; Henry K. Parish, Trenton, Tenn.; Allan B. Young, Bloom, Kirksey, Ky.; Gillespie B. Rucker, Calvert City; Horace A. Story, of near Calvert City.

Corporal Shackelford should be highly complimented for his efforts and his success in working up the business.

NOTHING DONE YET

THE TERRELL BANKRUPTCY PETITIONS HAVE NOT BEEN REFERRED.

Referee in Bankruptcy E. W. Hagby stated this morning that he knew nothing of the report that the bankruptcy petitions of Messrs. A. S. and Fletcher Terrell, with total liabilities amounting to about \$20,000, would be contested by creditors. The petitions have been sent by the clerk of the U. S. court here to Judge Evans at Louisville, who will in time refer them to Referee Hagby, and a date for a hearing will then be set by the latter. If any objection is entered by creditors, it will have to be then.

The Messrs. Terrell state that they filed their petitions only after being forced to do it by pressing creditors, and disliked very much to have to do it. The petitions do not in the least affect the livery business, which is conducted by Mr. John Terrell.

Eddie, the four year old son of Mr. Lum Turner, fell against the corner of a dresser this morning and cut a large gash over his right eye. Dr. Coyle was called and dressed the injury.

WEEK'S NEWS IN THE BUSINESS WORLD.

Clearings at the banks the past week were \$597,116. Same time last year, \$192,233. Increase, \$404,883. Bank clearings for the past week show a good increase over the same week last year, and indicate heavy business. The wholesale houses report very good trade generally. With some houses, it is true, the past few

weeks have been a little dull, but general reports are of very satisfactory business.

Retail trade is very good. Spring goods are moving some, especially in this so with the dry goods houses.

Tobacco has not come in so freely this week. A little wet weather and it will roll in lively.

DEFENDANT WON

The Celebrated Lay Case Finished at Last at Metropolis.

The Jury Brought in a Verdict For Dr. J. B. Young Last Evening.

The celebrated damage suit of Mrs. Ora Lay against Dr. J. B. Young, both of Golconda, for \$20,000 for alleged malpractice, was last evening decided in the circuit court at Metropolis in favor of Dr. Young, after the jury had been out 24 hours. Dr. Frank Lloyd received a message to that effect a short time afterwards.

Thus ends the third trial of one of the most celebrated cases ever on the docket of Southern Illinois courts. Several years ago Dr. Young was called in a confinement case to attend Mrs. Lay. She was left in a very bad shape, it was claimed, and was brought here and kept in the Brooks infirmary for about six weeks, finally recovering and going home, where she immediately brought suit for heavy damages.

The case had been changed from Pope county to Paducah county and then to Mass. county and had been continued several times at the latter place. The previous trials resulted in hung juries.

The best of lawyers have been employed by both sides, and the case has thus far cost \$6000. It is not known whether it will be further contested or not.

FAVORABLY REPORTED.

WAS THE SHIP SUBSIDY BILL AT WASHINGTON.

Washington, Jan. 12.—The Senate committee on commerce yesterday authorized a favorable report on Senator Frye's ship subsidy bill.

The Democratic members of the committee voted against reporting the bill. They also voted solidly for a motion offered by Senator Mallory to strike out the general subsidy provision. The committee made an amendment to the bill, allowing mail carrying vessels to be either iron or steel, instead of steel only, as originally provided, and another redacting 1,000 gross registered tons the vessels receiving a bounty.

NEW RAILROAD

Mr. James E. Robertson One of the Directors in the Project.

Articles of Incorporation Filed Yesterday at Nashville, Tenn.

Mr. James E. Robertson, the well known druggist, formerly connected with the Evening News, is a large stockholder and director in a new railroad company organized yesterday at Nashville, with a capital stock of \$100,000. Mr. Peter Arnold of Louisville, president of the company that ran the furnace here a little over a year ago, is at the head of the new railroad.

It is to be known as the Florence Phosphate, Iron and Railroad Co. It is bonded for \$300,000. A Nashville dispatch says of the project:

"He proposes to build a railroad from Florence, Ala., to Maney, Wayne Co., Tenn., a distance of forty-five miles, for the development of phosphate and iron interests owned by the company in Tennessee and Alabama. The road will connect with a branch of the Nashville, Chattanooga and St. Louis at Maney, and with the Louisville and Nashville and Southern at Florence. Mr. Arnold says the work of construction will begin next week."

The roadbed is already built, and most of the trestles constructed. It is believed the road will become one of great importance.

TO REORGANIZE.

THE SHADOWS OF SIN CO. TO START AGAIN AT EVANSVILLE.

For the past week or two an advertisement has appeared in the New York Clipper advertising for actors and musicians for the "Shadows of Sin" Co., now being reorganized at the Grand opera house in Evansville, Ind.

George Hamilton and wife, the leading man and woman and the playrights who wrote the piece, are the signers of the ad. The members of the company were supposed to form a new company at Evansville and produce the play, "A Trip to The Circus," after being stranded here. It looks like they have decided to try the old play again. It will be remembered that the company was stranded here and had a hard time getting out.

The evidence showed that Jennings and the women were sitting on the bed together, but as there were not chairs enough to go around, the evidence was not deemed sufficient to convict of immoral conduct, and the case was dismissed.

Tandy Reeves and Doc Jackson, colored, had a fight yesterday afternoon late over a crap game, and Reeves shot at Jackson and Jackson cut Reeves. Both were arrested, and their cases were continued until Monday.

The Week in Society.

The Doings of the Smart Set the Past Six Days. Pleasant Events and Personal Mention.

SPOILS OF WAR.

Scribbled cards and programs, Sonnets of play and dance, A kodak picture, a broken fan, A jeweled bracelet, perchance. Withered roses and letters, Faded and yellow and old, Why are such trifles treasured Long after love has grown cold? She whose very existence Thrives on the leaves of a day, Could, maybe, explain this collection In quite an interesting way.

THE QUICKENING OF SOCIETY.

The week has been gay and it seemed probable from last week's forecast, with only one entertainment announced and nothing decided in prospect, yet to the wise ones of Society this is no surprise, it is nothing more than they expected. Visitors are an elixir of life and motion to us always. Whatever faults she may have, Paducah rises to such important occasions beautifully, and does the honors with a charming grace and really enjoys her prerogative as hostess. So the coming of some especially charming visitors has merely set the dragging social wheel "agaling" in earnest, and with each revelation it has gained momentum. Now that the whirl is started, there is little desire to stop, or to slow up, even so the coming week is quite crowded enough to satisfy the most ardent social devotee. Here is our visitors:

CHARITY CONCERT.

An event of especial interest in the social and musical world of the city will be the Charity Concert which the Musical club is arranging to give before long, under the auspices of the Civic Federation. Forty or more of the best musicians of the city will take part and the program will be very fine. Some time since the Musical club offered their services to the Benevolent section of the Civic Federation, and this is the outcome. A large audience should greet them. The date is February 7.

A PRETTY AFFAIR.

A very pretty and effective wedding was that of Miss Mary E. Corbett to Mr. Arthur D. Cray of Kansas City, Mo., on Wednesday afternoon at 4:30 o'clock at the First Christian church. Although an afternoon wedding the auditorium and gallery were crowded with friends of the popular bride. The ceremony was impressively performed by Rev. W. H. Pinkerton. Prof. Dodd presided at the fine organ. The church was effectively decorated, the colors white and green being used. Southern similar was gracefully draped against a background of white, and palms, calla lilies, narcissus were used in profusion about the altar, while a large "C" of white flowers was suspended over the altar.

The ushers were: Mr. Charles Alcott, Mr. Frank Boone, Mr. Edwin Wilson, Mr. James Campbell, Mr. Hughes McKnight, Mr. John Sherwin, Mr. Douglas Nash, Mr. Reert Thompson, all of this city and especial friends of the bride.

Miss Ella Settle was the maid of honor. She wore a pretty gown of white organza over white silk, and carried a handsome bouquet.

The bride, who is quite pretty and vivacious, looked very charming in a handsome bridal gown of white crepe de chine over white silk, made en train, with a full veil, and carried a large bouquet.

The arrangement of the bridal party at the altar was a little different from usual. The ushers were grouped at the foot of the altar, and the bride, maid of honor and Mr. Corbett ascended into the altar where they met the groom and the minister. They stood facing the audience throughout the ceremony, and made a pretty and effective scene.

Among the out-of-the-town guests present were: Mr. and Mrs. Ralph Cray, of Chicago; Mr. and Mrs. C. D. Cray, of South Haven, Mich.; Mr. and Mrs. Jacob Corbett, of Wicks; Miss Fannie Richmond, of Clinton; Mr. Thomas Corbett, of Memphis; Mr. Jake Dudley, of Mayfield; Mr. Arthur Smith, of Wicks; Mr. Thomas Stahl and Mr. William

L. Stahl of Pinhook.

AN INTERESTING LECTURE.

"The American Girl" is the taking title of the lecture that Dr. G. W. Briggs has consented to deliver in the lecture room of the Broadway Methodist church next Thursday evening, at the request of one of the societies of his church. There will doubtless be a large crowd to hear him, as he is a charming and popular speaker, and the subject is one of deep interest to the masculine and feminine world alike. He is certain to take an original view of this delightful piece of femininity, and will give some thoughts worth thinking on, beside.

The American girl should be present in full force, and should the American boy, to hear all about her.

FROM SMITHLAND.

SEVERAL MATTERS OF INTEREST FROM THE CAPITAL OF LIVINGSTON.

Smithland, Ky., Jan. 18.—Contractor J. M. Stephens, of Mayfield is here, the guest of his cousin, County Judge Evans. The two men had not met before last Monday for thirty-five years.

J. W. Lawless of Paducah, who was seriously burned on both hands while trying to save his wife, who was fatally burned two weeks ago, was a passenger on the Evansville packet, accompanied by his father, and en route to the latter's home at Perry's Ferry, Ky.

TREATED HIM WELL.

THE YOUNG MAN WAS NOT PROSECUTED, BUT HELPED HOME.

Carl Brun, a young man claiming to be from St. Charles, Mo., of a prominent family, came to the city about a month ago and stopped at the New Richmond. He left there recently, and went to a private residence to board. Several little things were missed, and nothing was said, while a great deal was thought, but finally yesterday \$10 was missed, and complaint was made to Captain Henry Bailey last night.

Brun was found at the Palmer House billiard room, and taken to the city hall, where he confessed. The gentleman did not desire to prosecute him, and loaned him money to get home on, taking a due bill on the young man's father, who is connected with a large implement house at St. Charles.

IS SATISFACTORY.

REPRESENTATIVES OF CITIES WILL MEET WEDNESDAY.

Mayor D. A. Veiser has received a letter from Mayor Duncan, of Lexington, stating that the date of the meeting of representatives of cities of the second class to take action relative to amendments to the second class charter, was satisfactory. It is Wednesday, the 22nd. The representatives will all meet in Frankfort and decide on what amendments are wanted.

The proposed amendment introduced by Senator Allen to have the lookkeepers paid \$3500 with \$1500 for an assistant, and the place filled by the people is opposed by the Paducah delegation, who want the council to elect and fix the salary.

\$100 REWARD, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer one hundred dollars for any case that it fails to cure. Send for list of testimonials. Address F. J. CHENEY & CO., Toledo, O.

MALLORY ESCAPED.

GOT AWAY WHILE THE BACK OF LIEUTENANT MOORE WAS TURNED.

Mallory, with other prisoners, took the insolvent debtor's oath before Commissioner Gardner yesterday, and Mallory was at once arrested on three bench warrants from Mayfield, for selling liquor without a license.

While Lieutenant Moore was talking to the confessor in the smoker, near Hickory Grove, only a few feet from the seat which the prisoner occupied, the latter bolted through the colored section and escaped into a corn field. His absence was discovered at once, but when the train was stopped and the officer went after him, he had gotten a good start, and escaped. Charles Bell, the street car company's lineman, who fell from a telephone pole at Fourth and Broadway Wednesday morning and sustained a fracture of the skull, died shortly after 6 o'clock last night at his home, 407 South Eleventh street. His death was hardly expected, although it was believed at first that he could not recover. He seemed to be improving, however, but yesterday afternoon took a turn for the worse and died.

He was about 36 years old, and was born in Indiana. He came here from Shawneetown, Ill. He has a wife and two children, and other relatives.

REWARD OF MERIT

A NEW CATARRH CURE SECURES NATIONAL POPULARITY IN LESS THAN ONE YEAR.

Throughout a great nation of eighty million it is a desperate struggle to secure even a recognition for a new article to say nothing of achieving popular favor, and yet within one

year Stuart's Catarrh Tablets the new catarrh cure, has met with such success that today it can be found in every drug store throughout the United States and Canada.

To be sure a large amount of advertising was necessary in the first instance to bring the remedy to the attention of the public, but everyone familiar with the subject knows that advertising alone never made any article permanently successful. It must have in addition absolute, undeniable merit, and this the new catarrh cure certainly possesses in a marked degree.

Physicians, who formerly depended upon inhalers, sprays, and local washes or ointments, now use Stuart's Catarrh Tablets because, as one of the most prominent stated, these tablets contain in pleasant, convenient form all the really efficient catarrh remedies, such as red gum, blood root and similar antiseptics.

They contain no cocaine nor opiate, and are given to little children with entire safety and benefit.

Dr. J. J. Rittger, of Covington, Ky., says: "I suffered from catarrh in my head and throat every fall with stoppage of the nose and irritation in the throat affecting my voice and often extending to the stomach, causing catarrh of the stomach. I bought a 50 cent package of Stuart's Catarrh Tablets at my druggist's, carried them in my pocket and used them faithfully, and the way in which they cleared my head and throat was certainly remarkable. I had no catarrh last winter and spring and consider myself entirely free from any catarrhal trouble."

Mrs. Jerome Ellison, of Wheeling, W. Va., writes: "I suffered from catarrh nearly my whole life and last winter my two children also suffered from catarrhal colds and sore throat so much they were out of school a large portion of the winter. My brother, who was cured of catarrhal deafness by using Stuart's Catarrh Tablets urged me to try them so much that I did so and am truly thankful for what they have done for myself and my children. I always keep a box of the tablets in the house and at the first appearance of a cold or sore throat we nip it in the bud and catarrh is no longer a household affliction with us."

Full sized packages of Stuart's Catarrh Tablets are sold for fifty cents at all druggists.

Send for book on cause and cure of catarrh mailed free. Address, F. A. Stuart Co., Marshall, Mich.

HIS MOTHER ILL

MR. H. J. FOPPE WILL PROBABLY LEAVE FOR CINCINNATI.

Mr. H. J. Foppe of the Rhodes-Burford company received the sad news today that his mother is dangerously ill at her home in Cincinnati. Mr. Foppe was there only a short time ago, and left her ill, but apparently improving. She is suffering from heart trouble. He will probably go there today or tomorrow to be at her bedside.

An unusual coincidence occurred while Mr. Foppe was there visiting his mother. His two brothers, neither of whom knew the other was there, arrived about the same time on a visit. Mr. Andrew H. Foppe of Wichita, Kan., representing the New York World, Chicago Tribune, Kansas City Star and St. Louis Globe Democrat, and Mr. John H. Foppe of Toledo, O., are their names, and the surprise at the unexpected reunion was mutual.

Does your mirror reflect clean, white teeth and sound gums? If not, then use Jennelle's tooth powder.

HE WAS PUZZLED.

YOKEL DIDN'T TAKE ANY STOCK IN SLEIGHT OF HAND.

Mr. Moore Whittaker of the depot lunch stand is quite a magician in a small way. He has been a train hunch on the railroad, and in his experience as such has learned many tricks with money. Yesterday a country man walked into the lunch stand to get change for a quarter. He asked Mr. Whittaker if he could supply his demand, and the money was handed over to the lunch man. He took the money in his fore finger and thumb with both hands, and began to work the quarter up and down, making it have the appearance of being flexible and bending under the pressure of the fingers. The yokel's eyes bulged out, and as Mr. Whittaker handed the coin back to him as being counterfeit, the quarter disappeared just as it had been placed in the hands of its owner. The latter was very much mystified. Finally, when he demanded the coin, it was taken from his nose and returned to him. He turned away and went out of the lunch room, not waiting to get it changed, and the first thing he did when he had gotten out of sight was to treat the coin as to its genuineness.

Mr. Whittaker will probably not be troubled with the man any more.

TOOK POSSESSION.

MAN WOULD NOT GIVE UP HIS COMFORTABLE QUARTERS.

Some of the people think that the railroads of the country are made out of money, and that if the occasion demanded the company could lay tracks in gold.

Every few days some one has to be reprimanded for making a lodging house of the depot waiting room, but it is seldom the case that a man refuses to leave when asked by the depot master. Last night a man entered the ladies' waiting room of the local L. & N. depot and laid down on one of the sofas to sleep. He had just emerged into the land of dreams when aroused by one of the depot hands, and told that the ladies' waiting room was not a lodging house.

The man arose from the sofa, but as soon as his disturber left he took possession again, and it required a policeman to dislodge him. Men sometimes use the ladies' waiting room for a smoker, and some plant their feet on the furniture and use the depot in various ways damaging to the company, but few have attempted to make a lodging house of it before.

You have bad attacks of "the blues"—nothing seems worth while and you are altogether miserable in mind and body. Probability is you are taking headache powders for your headaches—they allay them for the time, but only for the time. Then you are taking pills and strong cathartics for your constipation and breath sweeteners for your bad breath.

None of these things get at the seat of the trouble and as the days go on you get worse instead of better and you will continue to get worse on this treatment. You are trying to cure effects instead of causes—the trouble is all in one place
